**Program** : Full day Sukhothai's Countryside

**Tour code** : SC – FDC

**Itinerary** : After being picked up from your hotel this cycling tour begins at Ban Gluai, a quaint village in Sukhothai. We take a dirt road passing through beautiful rice paddies. Alongside enjoying the scenery we will witness many aspects of rural life in Thailand while interacting with local people where possible. We may have the chance to participate in planting next season's crops. We will also see how traditional rice whiskey is produced, of course with a chance to taste some if you so wish. The tour is designed for those interested in learning about Thai culture and traditions in the rural countryside. We will have local lunch in the village. Then continue cycling to enjoy the scenery and on the way back we will stop at the market before return to your hotel around 15:00 – 16:00 p.m.
